Northern New England Materials Workshop

University of New Hampshire

June 9-10, 2017

Friday, June 9th

DeMeritt Hall, Room 240

9:00 am Registration and coffee

9:15 am Welcoming remarks, Prof. Chuck Zercher, University of New Hampshire, Interim Dean
College of Engineering and Physical Sciences

9:30 am **Research Presentations**, IRG 1 Renewable Energy Materials

Chair: Prof. Christine Caputo

9:30 am Prof. Gonghu Li, University of New Hampshire

10:00 am Prof. Matthew White, University of Vermont

10:30 am Prof. David Lashmore, University of New Hampshire

11:00 am **Research Presentations**, IRG 2 Tuning Low Dimensional Materials

Chair: Prof. Karsten Pohl

11:00 am Prof. Valeri Kotov, University of Vermont

11:30 am Prof. Shawna Hollen, University of New Hampshire

12:00 pm Lunch, DeMeritt Hall Atrium

1:30 pm **Research Presentations**, IRG 2 Tuning Low Dimensional Materials Cont.

1:30 pm Prof. Jiadong Zang, University of New Hampshire

2:00 pm Prof. Madalina Furis, University of Vermont

2:30 pm Dr. Merry Smith, Dartmouth College

3:00 pm Coffee Break, DeMeritt Hall Atrium

Northern New England Materials Workshop

University of New Hampshire

June 9-10, 2017

Friday, June 9th

DeMeritt Hall, Room 240

3:30 pm **Research Presentations**, IRG 3 Molecular Recognition Materials

Chair: Prof. Erik Berda

3:30 pm Prof. Jeffrey Halpern, University of New Hampshire

4:00 pm Prof. Jianing Li, University of Vermont

4:30 pm Prof. Severin Schneebeli, University of Vermont

5:00 pm Prof. Harish Vashisth, University of New Hampshire

5:30 pm Student Poster Session & Hors d'Oeuvres served, DeMeritt Hall Atrium

7:00 pm Dinner in breakout groups, DeMeritt Hall Atrium

Saturday, June 10th: PI Business Meeting

DeMeritt Hall, Room 240

9:00 am Arrival and Breakfast

9:15 am Large group discussion of Vision

9:45 am Split into IRG Breakout groups; Planning for each IRG

11:00 am Large group to reconvene and arrange for follow-on meetings

12:00 pm Closing remarks and depart
