Community Potluck

The Community Potluck is meant to create a safe space for conversation and for the sharing of yummy treats. **This event is open to the public, and people who are joining us that week for the Cooperator's Meetings are encouraged to come!** You could help us know who is joining by filling out this spreadsheet. We will have surprises, treats, games, great vibes and music from our Hubbard Brook Banger Playlist that you would not want to miss!

WE HOPE TO SEE YOU THERE!
