

**HOSTED BY THE EMERGING
CLIMATE LEADERS
COLLABORATIVE**

- Hubbard Brook Research Foundation
- League of Conservation Voters
- Irving Institute for Energy & Society at Dartmouth College

**2024 YOUTH FORUM
ON CLIMATE ACTION
& CLEAN ENERGY**

18 January, 2024; 8:30 am - 1:00 pm EST

BANK OF NEW HAMPSHIRE STAGE

16 S. Main St., Concord, NH 03301

Goal: Providing a non-partisan platform for environmental leaders at a crucial decision point in the presidential electoral process

SCAN TO REGISTER

Featured Presenters: NH student panelists, public figures of state & national significance

Join us for this **FREE** public youth forum at the intersection of public policy, climate action, and the clean energy economy. NH students will engage with policy and corporate leaders, celebrated scientists, authors, athletes, and other environmental influencers to explore opportunities for building an economically strong and environmentally secure future.
