Hubbard Brook Diversity, Equity, Inclusion and Antiracism (DEIA) Committee

Our Diversity, Equity, Inclusion, and Anti-racism (DEIA) Committee plays a crucial role in creating a culture where all individuals feel valued, respected, and empowered to fully participate and thrive. We meet on Zoom on a monthly basis to discuss and plan steps for fostering this environment at Hubbard Brook. The Committee is open to all interested members of the community!

Important notes:

- You do not have to be an expert in diversity, equity, inclusion and anti-racism to be part of our committee! This is a safe space for folks to learn more on these topics and get involved in our efforts.
- Involvement in the committee is flexible! It is not required for members to attend all meetings ever. Time commitment is up to your availability and bandwidth!

Some of our work: Resources Flow Chart (in progress), Hubbard Brook Checklist, Housing Survey, FieldFutures Collaboration, Fieldwork Initiative collaboration

If you are interested in joining us or sitting in on one of our meetings, please fill out this super quick form. We are looking forward to seeing new faces!
